VOLUME 18

MAY 1957

NUMBER 6

AREA 'POW-WOW' TO BE AT  
CAMP CEDARS IN AUGUST

APPLICATIONS COMING  
SLOWLY

The region 8 Order of the Arrow conference will be held at Camp Cedars immediately following the camp season this year. The dates are August 15-16-17, 1957. Present plans call for the conference to begin at supper-time the 15th. It will end not later than 4:00 p.m. on August 17.

Cost for the three-day lodging will come to approximately \$6. This will include tent and other equipment, bows & arrows, and other items used except for rifle shells. These will be sold for probably 10 shots for \$.15.

Each lodge of the Region 8 will present part of the program. Golden Sun Lodge will be in charge of the of the recreation sessions. This lodge will also have to prepare a kit for the fun night activities.

If you would like to attend, leave your name at the Scout office. An advance registration fee of \$1.00 will be collected. We would like to have at least twenty members from this lodge in attendance.

SPRING POW-WOW  
LARGE SUCCESS

The Tribal Council was glad to see such a large turnout at their Annual Spring Pow-Wow. In order to save time and money, the lodge conducted an experiment in food handling.  
(continued on page 2)

In the last several weeks we have noticed that only very few of the units have returned applications for membership in the lodge. We, therefore, are beginning to wonder if there are going to be many new members in the organization this year.

If you are a unit leader, please remember that the deadline for applications is JUNE 1. If you are a scout in a unit, please remind your leader that this is the deadline. If any unit is planning to take a council approved trip this year, members on that trip are eligible to be tapped. If you will be on a trip of this type and have boys that are eligible, please notify the lodge so that arrangements can be made for their tapping. This should be done at least six weeks ahead of the trip.

PATCHES ARE SELLING AT  
FAST RATE

The new patch for the Golden Sun Lodge is selling like wildfire. Many of them have been sold. Since only a limited supply of them has been made up, we suggest that you obtain yours right away.

It will be very impressive this summer to see boys at the camps wearing these new emblems. Why not be one of them? The price is \$.50 each and no more than two per person.
